## Focus on Worship

### Week 1 - 1st-7th

Pray for those who facilitate our musical worship at All Saints'. In particular our DY Students and Worship Pastors, Israel, Samuel, Justin and Tibz. Pray for joy, strength and well-being. Give thanks for a strong start to 2026 after a busy Christmas, and the fruitful teaching and training of our worship teams. As well as Tibz' healthy return to us in February.

### Week 2 - 8th-14th

Pray for our choir, our organists and Bill Cumber our Choir Director. Pray that the music choices, rehearsals and the musicians' skill will reflect God's love each week at the 9.30. Give thanks for the fact our prayers for new members continue to be answered, with the average number remaining in the teens, and praise God that our wonderful organ is still going strong.

### Week 3 - 15th-21st

Pray for our wonderful contemporary worship bands and technicians, that they'll keep growing musically and in discipleship. Pray especially for the new members of the team. Pray our worship leaders are equipped to step out in confidence, responsibility and authority. Give thanks for the team continuing to grow in number and skill, we're at almost 60 people for worship and tech, including 11 leaders. Thank God for an encouraging worship leaders training last month and for our worhisp team night next week.

### Week 4 - 22nd-28th

Pray for the worship All Saints' facilitates outside of Sunday; weddings, funerals, seasonal services, small groups, staff meetings, school events and more. Pray for the invitations the team get for leading at other events or churches, whether that's MMU churches, New Wine, or Racial Justice Events.

Give thanks for the amazing opportunities God gifts to us as a church, to bless and minister to so many both locally and further afield. Give thanks for the safety and provision He provides in every journey and event.

### Week 5 - 29th-31st

Pray for the increasing number of youth getting involved, especially on Thursday evenings. Pray for wisdom in integrating them into our Sunday bands - while navigating necessary and important safeguarding requirements.

Give thanks for our young people. We have much to learn from their curiosity, energy and courage to pursue discipleship. Praise God for His evident move of the Spirit among young people in All Saints' and beyond.
